

# CREATING THE FAVORITE LIST OF CHANNELS

1. Press the “menu” button, then navigate to “Edit Channels”, “List of TV Channels”

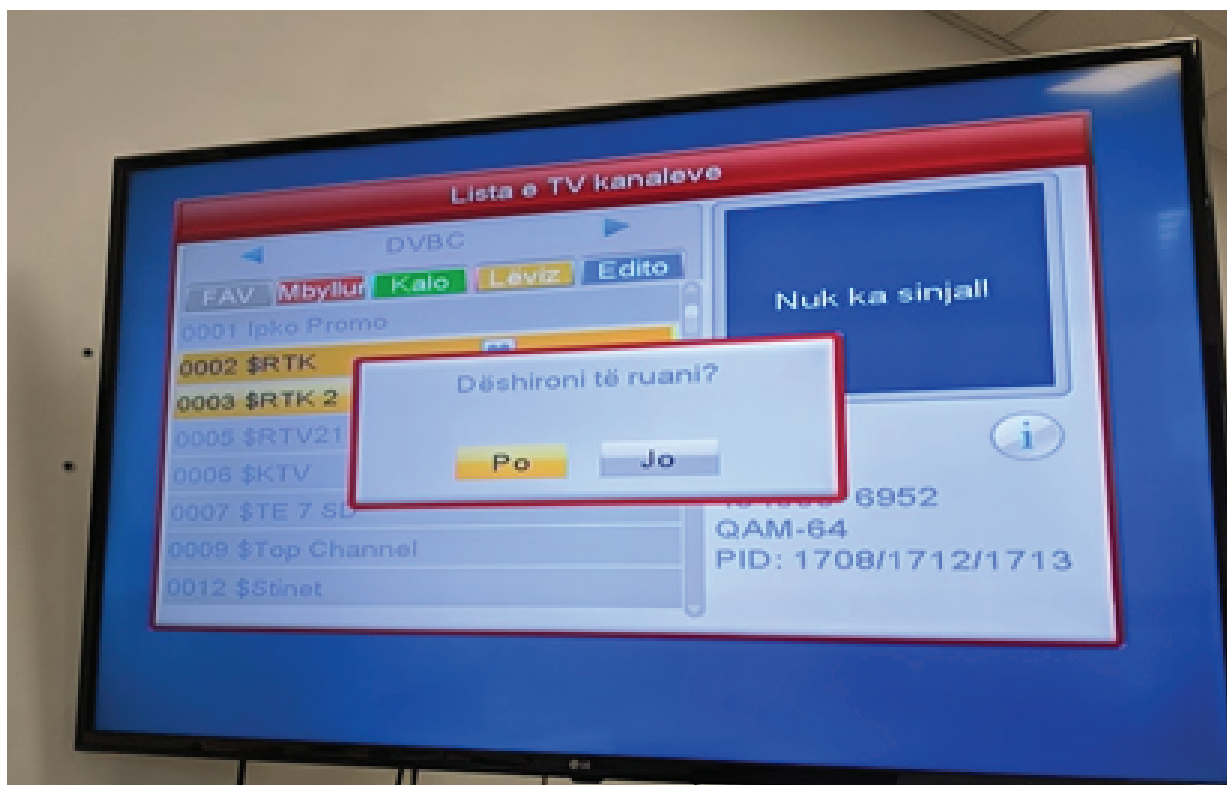

2. Press the channel you want to add to the favorite list, then press the “FAV” button on the remote control and select the group you want to have the channels in (example Group FAV 1)

3. Press the “exit” button to save the change, then a banner with the following text “do you want to save?”

4. To view your favorite channels, press the “OK” button, then navigate with the left/right arrows to view your favorite channels
