

## GENERAL TERMS OF SUBSCRIPTION TO PREPAID AND POSTPAID TELECOMMUNICATIONS SERVICES FOR PRIVATE USERS PROVIDED BY IPKO TELECOMMUNICATIONS L.L.C.

### Article 1 - Contents of the general terms of subscription

1.1 General Terms of Subscription to Prepaid and Postpaid Telecommunication Services (hereinafter: **General Terms of Subscription**), for Private Users (hereinafter: **the User**), provided by IPKO Telecommunications LLC (hereinafter: **IPKO**), contain general data about the terms of subscription to the services provided by IPKO to Users, including here the users that choose to activate postpaid and/or prepaid services.

1.2 General Terms of Subscription are applicable to all natural persons who have signed a Contract of Subscription to one or more of the services provided by IPKO and these General Terms of Subscription, together with the Special Terms of Subscription as well as other annexes to the Contract, shall be considered an integral part of the same.

1.3 In addition to these Terms, the manner and conditions for providing IPKO's postpaid telecommunication services for private users, shall be also governed by Law no. 04/L-109 on Electronic Communications, applicable regulations for the provision of electronic telecommunications service, approved by the Regulatory Authority of Electronic and Postal Communications (hereinafter referred to as: "**RAEPC**"); Regulation on Distribution of Audio and Audiovisual Media Service Providers, adopted by the Independent Media Commission (hereinafter referred to as "**IMC**"); and the Contract on Subscription and Special Terms of Subscription to Postpaid Telecommunication Services for Private Users, offer, relevant annexes, IPKO's published price list, and other documents signed by the User and IPKO, which, taken collectively, constitute an agreement between them.

### Article 2 - Definitions

**Agreement** means the entire contractual relationship between the User and IPKO for using the service chosen by the User, composed of the Subscription Contract signed by the User and IPKO, relevant annexes, the present General Terms of Subscription, the published price list of IPKO, and other accompanying documents.

**Contract** means the document signed by the parties, containing the essential binding elements agreed by the parties.

**Date of entry into force** means the date/time on which the contract is signed.

**Activation/Date of initiation of service** is the time starting from which the User has access to and may use the selected service and product.

**Suspension** means a situation where the User has temporarily no access to services, while the service has not been canceled yet.

**Annulment/Termination** means a situation when all services whereto the User has had access have been annulled and cannot be used without re-subscribing.

**Service User** means a natural person subscribed to one or more products and services provided by IPKO and who, directly, accepts IPKO Terms of Use.

**Network** means the space where wired or wireless devices are connected, thus enabling the provision of telecommunication services.

**Devices** mean instruments needed to undertake or perform the service. They allow performance of tasks through mechanical priorities, or provide an opportunity that would otherwise not be possible to be naturally provided to the Service User.

**Modem** means a device that enables connection of computers to IPKO network and from there runs Internet connections.

**Smart Card** means the Card which is inserted into the digital receiver and without which the package with TV channels cannot be opened.

**Services** are the products provided which contain internet, digital television and fixed telephony services for the prepaid/postpaid private users.

**TVIM Service** means a value added service offered for the Digital TV Service User that enables access to mobile phone, tablet or laptop application to view certain IPKO channels in the same devices.

**Minimum speed (guaranteed speed)** means the lowest speed provided by the Internet Service Provider to the user in accordance with the contract.

**Maximum speed** means the speed that the user expects to receive at least a certain pane of time (e.g. at least once a day).

**Advertised Speed** means the speed that an Internet Service Provider uses in commercial communications, including advertisements and marketing related to promotion of Internet access offers. In case the speeds are included in a marketing offer of the Internet Service Provider, the advertised speed must be specified in the published information and in the contract for each offer.

**Usual speed available** means the speed which a user can reach most of the time when accessing the services.

### 3. Obligations of IPKO

#### Access to the provided service and service quality

3.1 For the purposes of signing the Subscription Contract and accompanying documents, in order to subscribe to the telecommunications services provided by IPKO for postpaid and/or prepaid private users, the User must have with himself a valid ID card for verification of his/her personal details. In case that on behalf of the User comes an authorized person, the latter must present the Authorization and a valid identification document.

3.2 Access to the service, among others, is enabled by the devices enabling the provision of this service, which consist of a modem, digital receiver, module, and smart card. These devices are and shall remain property of IPKO and are granted for use to the User for the duration of the agreement. On the occasion of termination of the agreement, the User is obliged to return all devices in his/her use no later than five (5) days.

3.3 Minimum speed, usual speed available and the maximum upload and download speed depending on the capacity/package that the user is using, will vary as follows:
